#### Goes to Kansas City.

B. L. Lambert left last night for Kansas City to meet his son Jim who arrived last Sunday from overseas service and is enroute to Camp Fun-

ston for demobilization. Jim came over on the transport of which his brother Bert Lambert is Heutenant-commander, and the meeting of the two brothers on board the vessel was the first time they had seen each other in five years.

#### April Weather

The lowest temperature last month was twenty-four degrees, the highest eighty-four, the greatest daily range forty-two, and the mean for the month forty-eight. The total precipitation was 2,21 inches, as compared with the average of 2.15 inches for the month. Last year the April rainfall was 2.61 inches. Since January we have an accumulated excess of twenty one-hundredths of an inch as compared with the normal for the first four months of the year. During the month there were but nine clear days, and ten days on which more or less rain fell. These figures are taken from the monthly summary issued by Observer Shilling.

### Help For Tired Eyes

An ordinary day's work ought not to tire your eyes. If it does, that is a sizn of trouble which should be attended to.

Come to Clinton's optometrist. He will test your vision and fit you with glasses which will rest your eyes and take away the strain.

These glasses will be worth a great deal more than the very reasonable price we ask for them.
